

REMARKS

Applicant's counsel thanks the Examiner for the careful consideration given the application. The Specification has been amended as requested. On page 6 of the Office action, the Examiner stated that claim 29 would be allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. Applicant has accepted the Examiner's suggestion and has added the limitations of claim 27 and 29 to claim 14 and has correspondingly cancelled claims 27 and 29. In summary, the Examiner indicated that claim 29 would be allowable and Applicant has accepted the Examiner's suggestion and placed the limitations of claim 29 into independent claim 14. All the other claims are dependent claims and are allowable as depending from an allowable base claim. A Notice of Allowance is accordingly respectfully requested. If any additional fees are required by this communication, please charge such fees to our Deposit Account No. 16-0820, Order No. HOFF-36494.

Respectfully submitted,
